Cllr. C. Murray

This Council condemns corporations that profit from protracted armed conflicts and systematic human rights violations, particularly in relation to Israel's assault on Gaza, escalating settler violence in the West Bank, Russia's ongoing war in Ukraine, and other global conflicts. In response, the Council resolves to adopt a rights-based Ethical Procurement Policy (EPP) that adheres to international standards, ensuring human rights are respected throughout the procurement process. The policy encourages companies to meet their obligations to avoid contributing to human rights abuses and to mitigate any negative impacts linked to their operations.
