She acknowledged the work of the LCDC, the Land Use, Planning and Economic Development SPC, Offaly PPN and the statutory and non-statutory bodies who have contributed so much to the preparation of the Plan. She noted that the Plan is a Statutory Plan as per Section 44 of the Local

Government Reform Act 2014 and that future funding streams may require applications to be aligned with the county's LECP.

Mr. B. Pey provided the members with a presentation on the Local Economic and Community Plan 2024-2029 and the associated Implementation Plan for 2024-2025. He noted that in accordance with the Local Government Reform Act 2014, the purpose of the LECP is to set out, for a six-year period, the objectives and actions needed to promote and support the economic development and the community development of the area, both by the Local Authority directly and in partnership with other economic and community development stakeholders.

The LECP and Implementation Plan have been assessed to comply with Strategic Environmental Assessment (SEA) and Appropriate Assessment (AA) Screening. The LECP Implementation Plan conforms with the Regional Strategy and with the County Development Plan.

He informed the members the LECP Framework Plan was prepared following extensive consultation process with all stakeholders. The Initial Plan for 2024-2025 was developed following workshops held with key local agencies. The plan takes a flexible approach and will be reviewed regularly and changed where necessary.

He detailed the high-level goals focussing on sustainable empowered communities, healthy place making, economic opportunity and climate action. Following adoption, LECP Plans will be designed and published and agencies will regularly report back on progress. The most critical aspect of entire process is the effectiveness of the execution of the specific actions and each action will be monitored on an ongoing basis. A summary report will be provided to the full Council once a year and further Implementation Plans will be developed for 2026-2027 and 2028-2029 following review of initial Plan.

Mr. N. Circular Letter Housing 46/2023, issued by the Department of Housing, Local Government and Heritage, requires Housing Authorities to prepare, for Adoption and Implementation, a Traveller Accommodation Programme for the period from 1st January, 2025 to 31st December, 2029 as per Section 10(1) of the 1998 Act. The Minister has specified 31st December, 2024 as the latest date by which Accommodation Programmes must be adopted.

He noted one submission was received from Birr Travellers and Settled People's Group in regard to no provision for temporary halting site arrangements. In response it is considered that priority should be given to delivering permanent accommodation requirements identified in this Programme. The Programme also provides for refurbishment works at permanent halting sites during the lifetime of

the Programme. Therefore, there is no provision for temporary or transient accommodation in the 2025-2029 Programme.

On the proposal of Cllr. N. Cribbin, seconded by Cllr. D. Harvey, the members resolved in accordance with the Housing (Traveller Accommodation) Act 1998 to adopt the Draft Traveller Accommodation Programme 2025 – 2029
