

Measures to enable the rehousing of all dogs being kept for the time being at the establishment:

1. I am requiring that you ensure that within in a period of one month you reduce the numbers of females at the premises and ensure that you maintain less than 6 breeding females over the age of 6 months, which are capable of breeding at the premises (regardless of the ownership of the breeding female) at your own expense.
2. Microchip and either Neuter or rehome or transfer females to ensure less than 6 breeding females over age of 6 months remain on the premises.
3. All dogs on your premises must, regardless of ownership, be microchipped and licensed as per the relevant legislations and guidelines.

Note: Proof of microchipping and licensing and details of sale/rehoming/neutering certification must be submitted to the Dog Warden within **6 weeks** of the date of this notice

If you contravene this closure notice you shall be guilty of an offence.

You may appeal this notice to the District Court in accordance with the Act.
