SECOND REPORT ON FILE

1. Review of Further Information

Further information was sought by the Planning Authority on 27th November 2024 and subsequently received by the Planning Authority on 3rd December 2024. This report should be read in conjunction with the previous planner's report dated 27th November 2024. The following Further Information was sought and the response is as follows:

1. The Applicants have stated an intention to install a *'new gate & fencing to the rear of the property'*. The Applicants are therefore required to provide further information on the height of the proposed gate and fence

For reference, please see a copy Class 5 of Schedule 2 – Exempted Development, Part I of the Planning and Development Regulations 2001 (as amended):

"The construction, erection or alteration, within or bounding the curtilage of a house, of a gate, gateway, railing or wooden fence or a wall of brick, stone, blocks with decorative finish, other concrete blocks or mass concrete."

Conditions and limitations of Class 5 are as follows;

"1. The height of any such structure shall not exceed 2 metres or, in the case of a wall or fence within or bounding any garden or other space in front of a house, 1.2 metres.

2. Every wall other than a dry or natural stone wall bounding any garden or other space shall be capped and the face of any wall of concrete or concrete block (other than blocks with decorative finish) which will be visible from any road, path or public area, including public open space, shall be rendered or plastered.

3. No such structure shall be a metal palisade or other security fence."

Applicants Response: The Applicants have indicated the proposed fence at the rear of the property shall be approximately 6m in length and will not exceed 1.83 metre in height. Additionally the proposed gate will be 900mm in width. The Applicants have also included an photo of the proposed boundary fence.

Planners Appraisal: The further information received in relation to item 1 was assessed by the Planning Authority who are satisfied with the response.

APPROPRIATE ASSESSMENT (AA)

The subject site is located 2.48km from SAC 000572-Clara Bog

Having regard to nature of the proposed development which comprises of the proposed renovation of existing dwelling at 34 Marian Square, Clara, R35 YE28 and due to a lack of any pathway to a European site it is considered that the proposed development would not be likely to have a significant effect individually, or in combination with other plans and projects, on the Natura 2000 network and appropriate assessment is not therefore required.

EIA SCREENING:

No Screening required, see appendix A attached.

CONCLUSION:

Having assessed the further information received and the previous planning report on file, it is considered the renovation of existing dwelling is development and is exempted development.
