

Hi, Can consideration be given to providing a large playground to the North of Tullamore in the Collins Lane area? It would service some of the largest estates in Co. Offaly from, Drom Liath, Carraig Cluain, Ballin Ri, Eiscir Meadows, Norbury Woods, Silverbrook. There are nearly 1000 homes in this area of Tullamore with a very young population. It would be more sustainable and add to the sense of community in these areas. A site across the road from Educate Together national school was identified years ago as potential location, it would be ideal. Regards, David Spain
