

I propose that Portarlinton should be designated as a "Self Sustaining Growth Town" instead of a "Self Sustaining Town" as mentioned in your Draft Plan. Under Section 5.11 Rural Economic Development. Peatland After Use. RD 007. I propose that the Derryounce Lakes & Trails Project, located outside of Portarlinton, is included in this section along with Lough Boora Parklands. This project is primarily located in County Offaly and is an Inter Territorial Project between Laois and Offaly Local Authorities.
