

Draft Offaly County Development Plan 2021-2027". Dear Planning Section Offaly County Council I would like to formally request that my property on the main street in Kilcormac (previously the Convent in Kilcormac) be delisted from the Protective Structure list. I have recently purchased the Convent and it is my plan subject to "change of use" via the Planning Section of Offaly County Council to provide a Residential Rehabilitation Service for alcoholic, drugs and gambling addiction. The Protective Structure status is financially prohibitive for me in carrying out repairs and upgrading of the building to make it energy efficient.
