In this part of the bye-laws – “acceptable evidence” means the following:

- (i) a current insurance certificate confirming that the vehicle is normally kept by the resident at the residents address in the residents parking permit zone to which the permit will relate and
- (ii) (a) a vehicle licensing certificate or a registration book confirming that the resident applying for a resident’s parking permit is the registered owner of the vehicle in respect of which the application for a residents parking permit is being made and that the vehicle is registered at the residents address in the residents parking permit zone to which the permit will relate or

(b) where the applicant is not the registered owner of the vehicle in respect of which the application for a residents parking permit is being made, the vehicle licensing certificate or a registration book for the vehicle with satisfactory documentary evidence from the registered owner that the vehicle is normally kept by the applicant at the residents address in the residents parking permit zone to which the permit will relate and evidence from the Revenue Commissioners that a vehicle owned by the registered owner is normally kept by the applicant and
- (iii) a driving or provisional licence in the name and address of the resident applying for the residents parking permit and
 - (iii) utility bills, bank statements, or other documentation, acceptable to Tullamore Town Council, addressed to the applicant at his/her address in the residents parking zone to which the residents parking permit will relate.

19. Non application of bye-laws 6 to 17 of these bye-laws

Bye-laws 6 to 17 (other than bye-law 14) of these bye-laws shall not apply to the parking of a vehicle in a disc parking area if there is displayed, in accordance with bye-law 23 of these bye-laws, in the vehicle when it is so parked, a valid resident’s parking permit which relates to the street in which that disc parking area is situated.

20. Particulars of residents parking permits

A resident’s parking permit shall contain the following particulars:

- (a) the name of the local authority by whom it is issued,
- (b) the make and registration number of the vehicle in respect of which it is issued.
- (c) The date of issue,
- (d) The road to which it relates,
- (e) The period to which it relates, including the date of expiry,
- (f) A copy of the signature, and the description, of the officer of the local authority issuing it.

21. Permission to park vehicle displaying residents parking permit

The display, in accordance with bye-law 22 of these bye-laws of a valid resident’s parking permit on the vehicle in respect of which the permit was issued, shall permit the owner of the

vehicle (or any person using it with his consent) to park it without limitation as to time in a disc parking area in a road to which the permit relates.

22. Display of valid residents parking permit

A valid resident's parking permit shall be so displayed in the interior of the vehicle in respect of which it is issued that it can be read from outside the vehicle.

23. Interference with residents parking permit

Where a vehicle displaying a resident's parking permit is parked in a disc parking area a person shall not interfere with the permit.

24. Issue of, and fee for residents parking permit

- (1) A resident's parking permit shall be issued by a local authority on receipt of acceptable evidence in respect of the parking of a vehicle in a disc parking area in the functional area of such local authority.
- (2) Appropriate fee will be required for the issuing of a resident's parking disc. Details of charges outlined in Appendix 1. The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council. (See Appendix 1)
- (3) A resident's parking permit shall be issued by a local authority in respect of the vehicle of which the resident is the owner and shall be valid for a period of one year from the date of issue, in respect of that vehicle and for the road to which the permit relates.

25. Return of residents parking permit

Where, during the period to which a resident's parking permit relates, the resident to whom it is issued ceases to reside at the address specified on the permit or ceases to be an owner by disposing of the vehicle to which the permit relates, he/she shall return it (addressed to the person a copy of whose signature appears on it) to the local authority by whom the permit was issued. A refund of the fee or any part thereof shall not be made.

26. Where, during the period to which a resident's parking permit relates, the resident to whom it is issued disposes of the vehicle to which the permit relates and substitutes another vehicle for the one disposed of, he/she shall return the permit (addressed to the person a copy of whose signature appears on it) to the local authority by whom the permit was issued.

27. Transfer of residents parking permit

Where, during the period to which a resident's parking permit relates, the resident to whom it is issued disposes of the vehicle to which the permit relates and substitutes another vehicle for the one disposed of, he/she shall return the permit (addressed to the person a copy of whose signature appears on it) to the local authority by whom the permit was issued which shall either insert the make and registration number of the substituted vehicle on the permit or issue to the

resident a new permit in respect of that vehicle, and such new permit shall be valid for the period specified.

28. Cost of Residents Parking Permit.

Costs are outlined in Appendix 1. The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council

29. This part of the bye-laws relates to the issuing of Annual Parking Permit

An Annual Parking Permit may be obtained by all members of the public to enable them to park in long stay car parks or long stay designated spaces for the duration of one year. This permit has an annual fee, which is subject to change within the Bye-Laws. The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council. This permit also requires documentation to be provided along with the application (Vehicle Licensing Certificate for the vehicle for which the permit will be issued and also proof that the vehicle is currently taxed)

An Annual Parking Permit does not authorise parking in a prohibited manner or place. An Annual Parking Permit is only valid for the vehicle and car park schedule indicated on the permit.

30. This part of the bye-laws relates to the issuing of Special Visitor Parking Permit

A Special Visitor Parking permit may be obtained in respect of a resident who has limited mobility or impairment and who requires assistance from family members or care workers. Such permit will be issued on receipt of completed application and will apply to the street of residence only. The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council. (See Appendix 1)

31. This part of the bye-laws relates to the issuing of Construction Parking Permit

In order to facilitate construction works on premises in pay and display areas in one hour or two hour maximum areas, a contractor may apply for permit to remain in such areas. Such permit will apply to a single goods vehicle and shall be for a duration of one week only. This permit has a weekly fee, which is subject to change within the Bye-Laws. The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council. (See Appendix 1)

PART IV - LOADING BAYS

32. Loading bays will be provided at locations throughout the town for vehicles taxed and used exclusively for carrying goods and for commercial purposes involved in deliveries to local businesses.

33. **Times of operation for loading bays**

These loading bays shall be operational within the following time periods only: -

8.30 a.m. – 12:00 Noon.

8:30 p.m. - 12:00 Midnight

34. **Offence for certain vehicles to park in loading bays**

It shall be an offence to park a vehicle other than goods vehicles being used for loading and off loading goods in a loading bay during a period indicated on a sign accompanied by a information plate.

PART V - CAR PARKS

35. **Parking in a public car park**

Parking in public car parks will be exclusively used for mechanically propelled vehicles, which comply with the “conditions of parking” as follows:

“*Conditions for parking*” A vehicle parked in a disc parking area in accordance with these bye-laws shall, where parking bays are provided at that parking area be parked within the area comprising a parking bay. Such vehicle must be a mechanically propelled vehicle and with seating capacity for not more than seven persons including the driver.

Where a vehicle is parked in the car park a valid parking disc shall be so exhibited in the interior of the vehicle that a person outside the vehicle can ascertain by reference to the parking disc when the parking disc was issued and the parking disc shall be so exhibited for so long as the vehicle is parked in the car park.

Where a vehicle is parked in a car park during the hours 09.30 to 18:00 a person shall not interfere with a parking disc exhibited on the vehicle.

A vehicle parked in the car park at a time which is not during the business hours shall be removed from the car park when business hours commences unless at such commencement and during the remainder of the period of parking a parking disc is exhibited in the interior of the vehicle in accordance with bye-law 35 of these bye-laws.

36. **Manner of payment, amount of payment and related period of parking**

Where a parking disc is obtained from a disc parking machine, the fee shall be paid by the insertion of the appropriate amount in the machine as required under this section. Parking discs shall be issued by a local authority.

The Scale of Charges and the periods to which they apply shall be as determined from time to time by resolution by the Council. (See Appendix 1)

37. A person shall not insert into a parking disc dispensing machine any coin or object other than coin(s) required to pay the fee prescribed by bye-law of these bye-laws. A person shall not interfere with or damage a parking ticket machine.

38. **Broken parking disc dispensing machine**
Where a parking disc dispensing machine breaks down by-law 35 and by-law 37 of these bye-laws shall cease to have effect as respect the car park for which the machine is provided while the machine is broken down.
39. No person shall park or cause to be parked in the car park a vehicle in such a position or in such condition or in such circumstances that it would cause or be likely to cause danger to other persons using the car park or to obstruct the entrance to or exit from the car park or to obstruct the free flow of traffic within the car park.
40. **Parking within parking bay**
No person shall park or cause to be parked in the car park a vehicle in such a position that it or any portion of it extends from one parking bay to another.
41. **Prohibition on carrying out of repairs to vehicle**
No person shall overhaul or carry out repairs to a vehicle while it is parked in the car park save where it is necessary to do so in order to enable the vehicle to be removed from the car park.
42. **Prohibition on sale of goods**
A vehicle while parked in the car park shall not be used for the sale of goods, tickets or any service in or from the vehicle or as an office, nor shall any such vehicle be offered or displayed for sale or for hire or as a prize.
43. **Prohibition on making unnecessary noise**
No person shall make any unnecessary noise by means of or in relation to a vehicle while it is parked in the car park or by means of any equipment, fitting or instruments fitted to or carried on the vehicle or any loudspeaker, or radio in or on or in any way connected with the vehicle.
44. **Prohibition of littering**
No person shall throw, place or leave any bottle, or any broken glass, nail, litter or other substance or in a car park (save that specific items for recycling may be placed in the container placed there for that purpose and litter shall be placed in litter receptacles) and no person shall at any time play ball or any game in the car park.
45. **Compliance with lawful directions of Gardaí/local authority**
Every person using the car park shall comply with any lawful direction given by an employee of the Council or a member of the Garda Síochána in relation to the parking or a vehicle in or its removal from the car park or in relation to any of these bye-laws.
46. No person shall in the car park wilfully obstruct, disturb or interrupt an agent, employee of the Council in the execution of his or her duty, including the execution of any work in connection with the laying out or maintenance of any part of a car park by Council staff or agents.

47. Notwithstanding the other provisions of these bye-laws the Council may allow the parking of a vehicle in the car park where such vehicle is being used in relation to a public service or information facility subject to such conditions as the Council may consider appropriate.
48. A person shall give on demand to an employee of the Council his or her name and address and a person shall not in the car park resist, obstruct or aid to incite any person to resist or obstruct any of the persons referred to in bye-law 49 in the execution of his or her duty or lawful exercise of his authority.
